International Conference  
Adult Education and Learning: Putting Quality in Action  
10 May 2017 Brussels

# **Panel on the piloting of the European Peer Review methodology and presentation of the final Qualitative Analysis (Intellectual Output 4)**

Leena Koski  
Counsellor of Education

**1)**

**Overview of the piloting in your country, main strengths and weaknesses and most important lessons learnt from the use of transnational Peer Review?**

## **2) Opportunities for the European Peer Review methodology in your country from a provider's perspective?**

## The EQAVET Recommendation

*Results/outcomes of the evaluation process are discussed with relevant stakeholders and appropriate action plans are put in place*

*Information on the outcomes of evaluation is made publicly available.*

*Learners' feedback is gathered on their individual learning experience and on the learning and teaching environment. Together with teachers', trainers' and all other relevant stakeholders' feedback this is used to inform further actions*
